BELGRADE IN PAN EUROPEAN CORRIDOR No. 10

■ EU Countries ■ Non EU Countries ■ SEE Free Trade Area ■ Pan European Corridor no. 10 ■ Pan European Corridor no. 7

Belgrade is located in the heart of South East Europe, at the intersection of the strategic transportation corridors No. 10 and No. 7 linking Western and Central Europe with the Middle East. Lying at the confluence of the Sava and the Danube River, it is also easily accessible by river, while the ongoing construction of an international cargo terminal is to make Belgrade Airport a cargo hub of SEE.
